That
was the idea.

These
things just pop up
where ever they want
to, don't they?

Commander Palmer

What's that?

Crimson team scored the first grab.

Whatever it is, it's got the eggheads all tingly.

bolt them on the ship.

You can't
expect predict-

SPARTAN OPS

SEASON 1 | EPISODE 3

CATHERINE

Halo Fan Friendly Letters

The first comic of Spartan Ops was met with some great comments. It's also been posted on HaloWaypoint.com. Thanks as always to BS Angel for featuring it there.

My own thoughts on this episode?

Majestic is NOT a cohesive group. Well, not yet. Insubordination, and surprisingly from Hoya who I thought would be a more follow the rules kind of guy. Finally Palmer showed a little humanity and affection even.

I'd love to see the fate of Dr. Glassman. Is he gone forever? Was he digitized into Forerunner tech?

This page of the comic is for YOU the reader to sound off. I'd LOVE to hear your thoughts on the episodes as well as the comics.
